

## OVERVIEW

Enghouse Interactive is a true channel focus organization, with channel-ready products and a real understanding of the challenges faced by channel partners in developing compelling propositions.

We are proud to offer a partner program that supports our partners. This program consists of a select group of Enghouse Interactive Partners who buy into the company's strategic vision and roadmap, and can align resources to support it.

### A note to prospective partners:

Enghouse Interactive is a customer-driven, partner-committed organization. Through our incredible partners, our products and services give customers the choice and control they need to build their most effective contact centers. The goal of the Enghouse Interactive Partner Program is to build and continuously reinforce our partner relationships by enabling and supporting their efforts for the life of every customer interaction, ensuring all parties realize the full value of Enghouse Interactive's offerings.

## INSTRUCTIONS

Complete the Partner Program Application to follow. Once completed, click the "SUBMIT" button on the bottom of the form to deliver it. A member of the Enghouse Interactive Partner Marketing Team will contact you shortly to discuss partnership possibilities.

An Enghouse Interactive Representative may contact you in advance of partnership discussions to request additional information.
