

# NTWphone

## Hunt Group

NTW®

### ADVANTAGES

- Display of status in one or more Hunt Groups
- Individual log-on / -off from one or more Hunt Groups

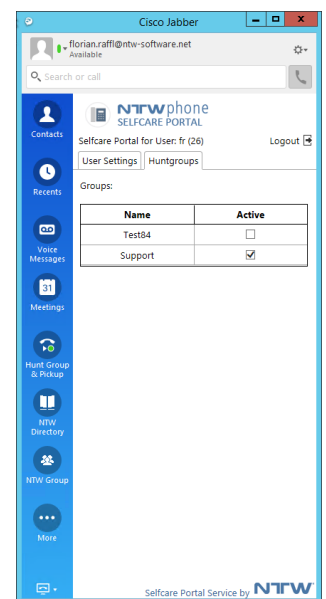

### Easy log-on / -off Hunt Groups

The centrally administrated Hunt Groups can be directly shown on the IP phone. Only those assigned are visible and may be used. At the same time, the user's status in the individual Hunt Groups is displayed.

Each user may log on to or off from one Hunt Group or all at once. This can be done on the Cisco phone as well as in Jabber.

Display current Hunt Groups and status therein
